June 26, 2011

Michael Reagan,
Commander Jim Traner,
Vice Commander Rock Roth,
Members of VFW Post 8870,

On behalf of the NVC and NVC Foundation, I thank Michael Reagan and the VFW Post 8870 Edmonds for the framed poster containing magnificent portraits of the 21 Medal of Honor recipients of the 100th/442nd Regimental Combat Team. Members of NVC/NVCF were impressed with Michael's ability of bringing our heroes to life so that we may better remember and honor them for their great sacrifices defending America. Be assured that the portraits will be proudly displayed in a fitting manner so we can look into the eyes of each soldier and communicate our gratitude and honor to these brave Americans.

It was such a pleasure to have 25 members and spouses of VFW Post 8870 as our guests at the NVC/NVC Foundation monthly meeting on June 24. Michael's emotional presentation about his Fallen Heroes Project was a testament to how one person can make a huge impact on the lives of thousands of people who lost loved ones in war. Our members were deeply moved by Michael's dedication in helping others with his God-given gifts and his time.

We are pleased you were able to tour our NVC Hall, military museum, and Memorial Wall. The NVC Foundation Memorial Wall project epitomizes our mission - "**Honoring the Past while Educating the Future.**" The Wall honors Japanese Americans who served in the U.S. military and also their families that were incarcerated in U.S. concentration camps during World War II.

We all felt the camaraderie between the members of VFW Post 8870 and the members of NVC/NVCF during Michael's talk and especially during the social hour. We enjoyed having you as our guests and welcome you back anytime.

Sincerely,

Tom Kometani
Commander
